Knit stitches in even rounds. If there are 2 yos side by side knit 1st and purl 2nd.
The chart shows the pattern for one dps. Work each pattern unit 4 times in a round.

Instruction

Cast on 8 stitches, divide evenly on 4 dps, join to round and work the pattern as shown in the chart.

Knit 10 rows just over the stitches of dps 1 and slip 1st stitch of each row onto next dps at the side (onto dps 4 right side facing, onto dps 2 wrong side facing). To maintain the same number of stitches in every row increase 1 stitch between 1st and 2nd stitch and knit in stockinette stitch.

After 2,5 cm work a toe with short rows. When you reach the end of a row knit the last stitch, turn, slip 1st stitch as to purl and pull thread on backside. This avoids holes in short rows. Such a prepared stitch sets the new end of the following row. Continue short rows until there are 12 doubled stitches on both side and 8 common stitches in the middle.

The work short rows from inside out. The doubled stitches are now doubled for the 2nd time – but don't worry!

For the sole work stockinette stitch in rows and knit together the last stitch of each row and the next stitch of the dps of both sides until there are no stitches left.

Divide all stiches evenly on 4 dps (16 sts each dps) and knit for 2,5 cm. Then work a short row heel with doubled stitches as given for the toes but change direction of the heel when you reaches 11 doubled stitches and 10 common stitches in the middle.

Knit for 3 cm in rounds. For the cuff work [knit 1 twisted, purl 1] for 3 cm and cast off very loosely.

Don't forget the 2nd one!
